BULKPAK HDR4048-25/34

ORBIS' latest version built on proven performance

The new HDR4048-25/34 BulkPak builds on the proven performance of ORBIS' extreme-duty containers, combining trusted strength and compatibility with enhanced durability and updated components.

Designed for demanding industrial, food, beverage, automotive, export, and closed-loop applications, the HDR4048 maintains full backward compatibility while incorporating design improvements that support long-term reliability, easier maintenance, and continued product availability.

Ideal for industrial, food & beverage, automotive, export, and closed-loop supply chain applications.

CORE PERFORMANCE ATTRIBUTES

- Up to 2,000 lb. load capacity.
- Durable HDPE construction with solid sidewalls.
- Standard 1200 x 1000 mm footprint.
- Full-stringer base for efficient stacking and handling.
- Optional long-side access doors.
- Compatible with existing HDR4048 containers.

WHATS IMPROVED:

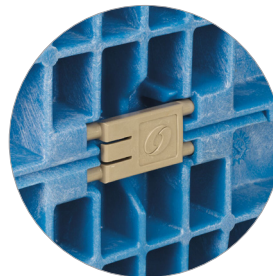

- HDMP-inspired panel design.
- Improved HDMP-style latches and hinges.
- Retention clips replace fiberglass rods for easier maintenance.
- Expanded branding areas.
- Enhanced base-to-stringer interlock.
- Updated ribbing and base design.
