PRODUCT SPEC SHEET

48X48 VERSA PAL

The reusable 48 x 48 Versa-Pal moves, stores and distributes product loads within a single warehouse/ distribution center or entire supply chain. From raw material to finished goods, reusable plastic pallets protect product until it reaches its final destination. This plastic pallet offers an economic, environmental, and efficient alternative to wood pallets or skids.

- Dimensional consistency ensures an effortless interface with all types of high-speed automation and material-handling equipment
- Lightweight and easy to manually handle, with no nails, splinters, or broken boards to risk employee injury
- Available in FDA-compliant material
- Pallets nest for a cost-efficient return trip or warehouse storage
- Structural foam molded
- Fully recyclable at end of life
- Fork Truck Entry: 4-way / Hand Truck Entry: 4-way
