

PRODUCT SPEC SHEET

AF-1 AGRICULTURAL CONTAINER

Reliable handling, processing, storage, stocking, and display are critical in today’s modern distribution systems.

ORBIS offers an efficient method to protect and transport agricultural and nursery items with high-quality, impact-resistant, durable, and reusable hand-held containers and trays.

- 24 x 20 footprint
- Stacks securely with bail arm engaged
- Nests for space efficiency when bail arm is open
- Fits 4-up on standard 40 x 48 pallets
- Ventilated design for easier cleaning, accurate temperature control, and minimized cooling time
- Smooth surfaces for easy cleaning and superior product protection
- Radius corners prevent product damage
- Used for field harvest, in-plant handling, staging, and processing of fruits and vegetables
- Used for case-ready meat distribution
- Available in FDA-approved materials – specify when requesting a quote
- Fully recyclable at the end of service life
